APPLICANT: _____

DATE OF APPLICATION: _____ PHONE NUMBER: _____

PROPERTY ADDRESS: _____

APPLICATION PURPOSE: Exterior Paint ___ Fencing ___ Landscaping ___ Trees ___

Swimming Pool ___ Screen Enclosures ___ Patio Enclosures ___ Satellite Dish ___

Windows/Doors ___ Recreational Equipment ___ Other ___ (please describe _____)

Please describe what changes will be made. Applications must include a lot survey or drawing, site plan, diagrams, color chips, material specifications, sample products, photographs and any information that will adequately describe the finished product. All landscaping plans must include size, number and type of plants to be approved.

Additional requirement for exterior paint applications:

A small sample chip may not look the same when an entire wall is painted so the Board requests the homeowner receive approval based on the sample chip, then purchase a small amount of the approved paint and apply to a minimum 2' by 2' square of wall (the more the better) and then request the ARC to inspect and provide final approval.

Failure to provide complete information may delay the approval process.

PLEASE NOTE: It is the property owner's responsibility to ensure that all requests conform to the applicable zoning and building regulations and that approved projects are properly permitted in accordance with all city, county, state and municipal requirements. It is highly recommended that homeowners ensure that the contractor is properly insured to perform the work required.
